2027 NATIONAL VICE PRESIDENT NOMINATION

Proven Leadership. Measurable Impact.

POSITION STATEMENT

InspirASIAN's next chapter is about scale — turning cultural celebration into career outcomes and scholarship dollars. I've led at both chapter and national level, and I'll bring that same operating discipline to the Vice President seat.

PLANS

Deepen chapter engagement and build a real officer pipeline; move sponsor relationships from event-to-event asks to year-round partnerships; mentor emerging leaders into national roles.

PROPOSALS

A repeatable sponsorship playbook any chapter can run, an ambitious scholarship growth target building on 1,098 students and $1.5M awarded since 2012, and quarterly cross-chapter leadership forums.
